

Annual Danish Bioinformatics Conference

August 22-23, 2019 - Odense, Denmark

Scientific and Poster sessions

Selection in genomes | Personalised medicine and systems biology | Computational mass spectrometry and proteomics | Single cell bioinformatics | ELIXIR Denmark | RNA and genomics | Machine and deep learning

Confirmed Speakers

Pam Wiener

Roslin Institute, Univ. of Edinburgh, UK

Manja Marz

Friedrich Schiller Univ. Jena, DE

Gökçen Eraslan

Broad Inst. of MIT and Harvard, USA

Parag Mallick

Stanford Univ., USA

Henning Hermjakob

EMBL-EBI, UK

David Jones

Univ. College London, UK

Programme Committee

Anna Schönherz

MBG, Aarhus Univ, DK

Jakob Hull Havgaard

SUND, Univ. of Copenhagen, DK

Azra Karamehmedovic

Aalborg Univ., DK

Samuele Soraggi

BiRC, Aarhus Univ, DK

Simon Rasmussen

CPR, Univ. of Copenhagen, DK

Thomas Hamelryck

DIKU/BIO, Univ. of Copenhagen, DK

Veit Schwämmle

Univ. of Southern Denmark, DK

Workshops

National Genome Center

bio.tools

Single cell analysis

Venue

Auditorium U55,

University of Southern Denmark

Campusvej 55, 5230 Odense

Contact
